

FOURTH GRADE NEWS

Issue: September 10, 2012

Hendricks Elementary

4th grade

Dear Parents:

It is hard to believe that we have already been in school for an entire month. The students are working very hard to adjust to fourth grade and keep up with the rigorous work we give them every day. Please encourage your child to keep trying even if he/she does not understand the standards. We will be spiraling a lot of the standards so they will see them more than once. This helps to ensure that if they do not get them the first go-round, they will pick up on it eventually. We all learn at different paces. We hope the students will stay encouraged and know that they will all understand and learn in time! Thanks for your support! 4th grade teachers
