Hendricks Elementary

Teacher: 4TH grade

Dear Parents:

We have almost made it through our first month! Things are quite busy at Hendricks Elementary. Your child should be coming home each night with a homework page for reading, math and spelling. This practice each night greatly helps them for the assessments given every Friday. Thanks for all you do at home! Also, if your child receives a Stop and Think form at school, it needs to be signed and returned immediately.

Don't forget that there is a holiday on Monday (Labor Day) and school will be closed. Have a wonderful three-day weekend!!

4th grade teachers

--	-------------------------------------	---------------------------------------	--------------------------------------	------------------------------------

WEEKLY TESTS

Please go over the previous week's test with your child. We will send home the test the following week graded. It always helps when children can learn from their mistakes so please review the test with your child to ensure understanding and success on future tests!
